SEM TÖMER

Turkish Language Teaching Center

Cappadocia University Turkish Language Teaching Center (SEM TÖMER) offers Turkish language education for international students. Our programs are conducted in accordance with the Common European Framework of Reference for Languages (CEFR) and are designed to help students achieve the Turkish language proficiency required for both academic success and daily life.

- Experienced Instructors
- Academic Turkish Courses
- Face-to-Face and Practical Learning
- Turkish Language Proficiency Certificate

E-mail: semtomer@kapadokya.edu.tr
Phone: +90 537 922 98 30

Erasmus+ and Exchange Programs

Cappadocia University offers students the opportunity to study abroad and experience different cultures through Erasmus+ and international exchange programs. The University collaborates with higher education institutions across Europe and many other countries, supporting students' academic and personal development in an international environment.

- Erasmus+ Student Mobility for Studies
- Erasmus+ Student Mobility for Traineeships
 - International Academic Partnerships
- Intercultural Experience and Global Career Opportunities

Application Process

For international student applications, please visit our website:

international.kapadokya.edu.tr

On this website, you can access the Online Application System, the Application Guide, the Academic Calendar, the admission requirements, and all the information you need to complete your application. Once the application results have been announced, you can track your application status through sis.kapadokya.edu.tr.

For assistance with your Acceptance Letter and registration procedures, please contact the International Student Unit.

Accommodation and University Guest Houses

Cappadocia University offers safe, comfortable, and student-friendly accommodation options.

Located on the Cappadocia Campus, our on-campus guest houses accommodate 174 female and male students and are within walking distance of classrooms. Designed with modern living standards in mind, they provide a comfortable environment that supports both academic and social life.

KYK Student Dormitories: Government-operated KYK dormitories, located near our campuses, provide accommodation for 1,200 female students and 762 male students.

Alternative Accommodation Options: In addition to university accommodation, students may also choose from partner private dormitories and apartment residences recommended by the University, offering a variety of accommodation options to meet different needs.
